

## Aimee Marshall

**Term on Council:**  
2017 - Present

**Hometown:**  
Jersey, Channel Islands

**Current Community:**  
Langley, BC

### *Inspiration*

I have always been a leader and really enjoy working with youth. I found out about the Community Council from friends who had been a part of it the previous year and expressed to me how amazing the Community Council is. I'm extremely grateful to be a part of an organization who gives so much back to the community.

### *Fun Fact*

A lot of people don't know this about me, but I am a huge nerd. I love everything sci-fi, thriller, or mystery related. A few of my favourites are Harry Potter, Disney, Star Wars and Lord of the Rings.

### *What do you hope to achieve on the Council?*

I hope to gain knowledge about local charities and meet amazing people. I hope to achieve a new perspective and outlook on the community and make a positive difference any which way I can.

### *What accomplishment are you most proud of to date?*

I would honestly say to be chosen for the Community Council. I have been exposed to giving back to the community and always tried to do my part to make a difference, but to be chosen for this role is such an honour and I'm so excited to get started!

### *Bio*

Aimee holds a certificate in Business Administration from Kwantlen Polytechnic University. She is currently employed as Member Banking Specialist at the Coast Capital Savings in Surrey.

Throughout her elementary and high school years Aimee always connected with youth. At the Douglas Park Reading program, Aimee was able to help children overcome barriers such as reading disabilities or troubled pasts.

At Coast Capital Savings, Aimee feels she has truly grasped the notion of financial well-being. She interacts with youth on a regular basis, helping them apply for their first credit card or having a money chat.

Aimee's past experience includes being Assistant Manager at Starbucks. She credits this role for providing her with opportunities to give back to her community. In 2015, she contributed to the \$5,000 raised for Matthews House, a 'home away from home' that provides quality respite care for children who live with complex care issues.

Known as a confident, enthusiastic and fun person to the community, Aimee is excited to be a part of the Youth Get It Community Council.
